

Erika Zimmermann Zaffer  
Administrative Assistant  
Rochester Institute of Technology, Graphic Design 2004

Erika has two children. Her eldest was diagnosed with Autism at age two and a half and is non-verbal. He has been a client of Speech Therapy of Forsyth for over five years. The family values the lessons from the Parent Coaching that allows them to continue to strengthen his skills even when away from the clinic. Erika is proud to be a part of the Autism community and is looking forward to helping other families on their journeys.
