

**Kari Sykes, SLP**

**Speech-Language Pathologist**

M.A., CCC-SLP

University of Cincinnati, 2004, in Communication Disorders

Kari has over 10 years experience in educational and clinical settings, specializing in early intervention and working with children on the Autism spectrum. Kari's oldest son was diagnosed with Autism at the age of 2. She is passionate about advocating for both her son as well as the entire Autism community. Kari believes that the best part of being a pediatric Speech Therapist is being challenged everyday with finding the right mix of strategies and interventions for each child.
