

Lekesiah Mosby, OTR/L
Also know as “Keisha” or “Kay”

Earned Baccalaureate of Science in Occupational Therapy from Tuskegee University in 2001. She has been a licensed Occupational Therapist for 16+ years. Keisha has worked in a variety of practice settings with children, adolescents and adults. Practice settings include private practice, outpatient, inpatient, EI/home care, school based, SNF, and ALF. Since 2003, Keisha has worked with the pediatric population servicing patients with diagnosis of Autism, Down’s Syndrome, SPD (sensory processing disorders), and developmental delays to name a few. She has extensive training in Sensory Integration and some behavioral feeding in pediatrics. Keisha loves volunteering with her congregation, cooking, and traveling while making awesome memories with her husband, family and friends.
